Deadline for the May Newsletter is April 15. Please be prompt!

Thank you for your support and energy over the year. As 2008 begins, I hope each of you will plan to participate in at least one activity of our society. We have many great evening and informative meetings planned. Our spring meeting will be a networking event and this year we will give back to the Green in Winter. Please contact each one of us with ideas we need at National Bridge from Park. Our 2008 meeting plans are written to make your experience rich and fun. Please know that you are attending the fall meeting whether or not you are attending the fall meeting whether or not you are attending the fall meeting specifically for this meeting.

There is still time to submit a paper through "Share the Knowledge" system. Remember, a paper will be chosen during our spring meet meeting on March 27 and the winner will be announced during our spring meeting at National Bridge from Park. Good luck please contact me at the address below.
