Perhaps I have been lulled by a few of our unseasonable warm days. Whatever the reason, I am ready to get going! And I hope that each of you is anticipating a new season of educational trips and activities sponsored by the KNPS. Before you know it, we will be together at the Spring Wildflower weekend at Natural Bridge State Resort Park.

Your executive board has been very busy since last Fall. Starting with our Strategic Planning meeting at Marysville in October, we have systematically looked at every aspect of the Kentucky Native Plant Society. We identified the main internal strengths of the Society, seeing the educational resources and
