

**April 29-May 2, 2004, Natural Bridge State Resort Park**

## **WILDFLOWER WEEKEND & KNPS SPRING MEETING**

### **Does Nature Mean Everything?**

It's time to make plans for the 2004 Wildflower Weekend at Natural Bridge, April 29 through May 2, and I hope that you will be able to attend all or any part of the events!

Wildflower Weekend is an opportunity for nature plant enthusiasts to enjoy one of the most ecologically diverse areas in Kentucky in bloom. We'll have dozens of field trips throughout the park and the Red River Gorge National Scenic Area for all levels of participation, from beginners to advanced wildflower enthusiasts and from short easy walks to long hikes.

Edge focus on a variety of topics, from trees to rare plants, and are led by well-

known naturalists at
