

my time has been spent trying them to move on.

Our Spring Meeting and Nature Bridge State Forest Park's 25th annual wildflower weekend is coming up and it looks to be great one as usual. If you've never made it to one of our annual Spring meetings, I'd encourage you to do so. Everyone has a great time, multiple wildflower walks to choose from and informative presentations on Friday and Saturday nights.

Our Native Plant Certification program at Northern Kentucky University is doing great. We have a number of people taking every course, targeting the certification program and we have also had our share of people just interested in one or two courses. Plant Communities of Kentucky went well and Plant Taxonomy will also be a success. This
