Field Trips—8:00 am, 9:00 am, 1:00 pm, 2:00 pm

8:00 pm - Kentucky Native Plant Society's General Meeting—everyone is welcome!

7:00 pm - **Rare Plant Conservation** - presentation by Dale White and Tara Littlefield, **ENR**.

7:00 pm - **Conservation and Biodiversity** - presentation by Rudy Mancilla, University of South Carolina. "When we try to pick out anything by itself, we find it hitched to everything else in the Universe" - was John Muir right? For more info on Rudy please click here - https://www.cesr.usc.edu/natural_history.html

As usual our field trips will travel all over Natural Bridge State Park and the Red River Gorge Geologic Area, including hikes along the Rock Garden Trail, Whitteman Arch Trail, Whitteman Falls, and many others. Our trips are led by some of Kentucky's most prominent biologists, both professional and amateur, and range from general wilderness hikes
